Tronocity Labs Pvt. Ltd

CIN : U62099MH2024PTC416538

Pachkhedi Gandli , Nagpur 441210

Understood. Here is the **final corrected version** of the **Software Development Agreement**, showing **Tronocity Labs Pvt. Ltd.** as the official contracting entity and **Gigzs Quick SaaS Commerce** as the delivery product line.

SOFTWARE DEVELOPMENT AGREEMENT

This Software Development Agreement ("Agreement") is made on **12/11/2025**, between:

Tronocity Labs Pvt. Ltd., operating under its product division **Gigzs Quick SaaS Commerce**, having its principal office at **Pachkhedi gandli Nagpur**, hereinafter referred to as the **"Developer"**,
and
Next Ignition , having its principal office at **Ch sambhaji Nagar**, hereinafter referred to as the **"Client."**

Collectively referred to as the **"Parties."**

---

1. Project Title

NextIgnition – Unified Startup Acceleration Platform

---

2. Scope of Work

The Developer agrees to design, develop, and deliver a **cross-platform software solution** including:

- Android Application

- iOS Application

- Web Application

as per the system flows and documentation provided This project will be executed and delivered under the **Gigzs Quick SaaS Commerce** product framework.

---

3. Deliverables for Version 1 (Initial Launch)

Version 1.0 will include:

- User registration, verification, and onboarding

- Role-based profiles (Founder, Co-founder, Expert, Investor)

- Subscription and payment system (basic flow)

- Role-based community chat

- Startup and investor networking modules

- Funding portal (pitch deck upload, investor browsing)

- Basic podcast section

- Admin dashboard for moderation and verification

- Secure platform with manual review and data protection

Timeline: 35 calendar days from the signing of this Agreement, subject to timely input and approvals from the Client.

---

4. Future Feature Package (Post-Launch Enhancements)

After successful delivery of Version 1, the following features will be developed and deployed as **Version 2** and later versions:

AI and Matching Features

- Ignisha AI for startup Q&A, pitch analysis, and growth insights

- AI-driven funding and co-founder matchmaking engine

Platform Expansion

- Global launch with automatic time zone detection

- Integration with global accelerator and funding networks

Investor & Founder Tools

- Investor analytics dashboard

- In-app startup event and demo-day ticketing module

User Reputation & Gamification

- Founder rating and reputation system

- Gamified badges and achievement tracking

Social and Media Enhancements

- Extended podcasting features and investor-only sessions

Security and Compliance

- Advanced role-based access control

- NDA and privacy protection for pitch decks

- Two-factor authentication and enhanced manual review

Charge for additional features: ₹50,000 (Fifty Thousand Rupees Only).
This cost is **exclusive of hosting, database, and server charges**, which will be billed separately at actuals.

These updates are expected to be delivered **within one month post Version 1 launch**, depending on user feedback and scheduling.

---

5. Project Cost and Payment Terms

Phase	Description	Cost (INR)	Payment Schedule
Phase 1	Development of Version 1 (Android + iOS + Web)	₹95,000	40% on signing, 40% on completion, 20% on deployment
Phase 2	Post-launch additional features	₹50,000	Payable after Version 1 launch

Excluded Costs:
Hosting, domain, SSL, cloud database, and developer accounts (Google Play / Apple App Store) are not included and will be charged separately.

Total amount to be paid : ₹150,000

---

6. Intellectual Property

- All intellectual property and source code remain with **Tronocity Labs Pvt. Ltd.** until full payment is received.

- Upon complete payment, the Client will gain full rights to use and operate the delivered application.

- The Developer retains ownership of its reusable code frameworks and proprietary SaaS modules used in development.

---

7. Support and Maintenance

- 30 days of complimentary bug-fix support after final deployment.

- Any feature changes or new integrations beyond defined scope will be charged separately.

- Any minor changes and feature add on (Minor) we can do that for free of cost

---

8. Confidentiality

Both Parties agree to maintain confidentiality regarding all business, technical, and proprietary information shared during the course of this project.

---

9. Termination

Either Party may terminate this Agreement by written notice if:

- The other Party breaches a material term and fails to cure it within 10 business days; or

- The Client fails to make scheduled payments.

All completed work up to termination shall be invoiced and payable immediately.

---

10. Limitation of Liability

The Developer's liability shall not exceed the total fees paid under this Agreement.
The Developer is not responsible for indirect or consequential losses arising from the use of the developed product.

---

11. Dispute Resolution

This Agreement shall be governed by and interpreted in accordance with the laws of India.
Jurisdiction: **Nagpur, Maharashtra**.

---

12. Entire Agreement

This document constitutes the full and complete Agreement between the Parties and supersedes all previous communications, proposals, or understandings.
